On my research theme

Go tswa ka dingwaga tsa bo 1990, dipalo tsa marekisetso a Machina a ne a gola go semolola kwa ditropong tse dikgolo go feta ka tse dibotlana go fetela kwa metse setoropong. Kantlha ya tiragalo e, batho ba ko mafelong a ba ile ba nna le ditiro gape ba kgona go nna le tshono ya go ka reka tse ba ditlhokang tsatsi le letsatsi ka madi a a kwa tlase. Mme gape ba ile ba kgalwa gotwe mmaraka wa bone go tletse batswakwa mo go one. Mo botsheng puso ya lefatshe la Botswana e supile fa mmakete wa mabentle a China e le sekgoreletsi mo kgolong ya mmarakegng wa dikgwebo tsa Batswana. Se se dirile gore puso ya Botswana e nne kgatlanong le go tswela go bulwa kgwebo tse dingwe tsa maChina mo Botswana.

Go fitlha gompiano, dikwalo tsa baitaanape ba dipalo ka bontsi di supa batswakwa ba morafe wa seChina fela mo Africa kwa ntleng ga ditlhotlhomiso tse di tseneletse ka batswakwa ba. Mogodimo ga moo, bomatwetwe ba dipatlisiso ba le sekaenyana fela ba remeeditse ditshekatsheko tsa bone e le dipotsolotso le ditlhomiso tsa bone mo batswakweng ba morafe wa seChina ka bongwekabongwe.

Fa re lebelela batswakwa ba morafe wa seChina jaaka ntlha kgolo ya rona, tshekatsheko e e remeletse mo dintlheng tse tharo: go sekaseka tirisano mmogo magareng ga batswakwa ba morafe wa seChina le beng gae; go supa tshwaragano le kgaisano mo batho ba morafe wa seChina; le go batlisisa ka fa batswakwa ba ba tshelang ka teng mo Botswana. Jaaka re solofetse dikarabo, re ka nna ra solofela tlhaloso tse di tseneletseng le karabo e e supang ditla morago ga go tlhomiwa ga marekisetso a China mo Africa.
