[Example]. . .the research results were judged to be outstanding and to have made a great contribution to regional research.

Accordingly, this dissertation was recognized as being a thesis worthy of qualifying the author for a doctoral degree (Area Studies). Furthermore, as a result of the oral examination on the contents of the dissertation and the relevant matters conducted on February 3, 2018, the applicant was recognized to have successfully met the requirements.

In addition, having been determined that the dissertation accords with Article 14, Paragraph 2 of the Kyoto University Academic Degree Regulations, a summary thereof instead of the entire text is eligible for publication.

Leave one line blank.

In the paragraph preceding "accordingly," it should be mentioned that the thesis was considered outstanding enough for the candidate to be conferred a doctoral degree. Do not just finish with platitudes about future prospects, etc.

Do not extend the bottom line of the page 2 frame to the bottom of the page. Use the cursor to leave only one line open at the bottom of the text.
