On My Research Theme and Language Training /Baarista Mowduuceyga iyo tobabarka

Mowduuceyga waxaa uu caddeynayaa saameynta dhagaalaha iyo bulshada qaxootiga soomaaliyeed uu ku leeyahay balshada kenya.

Ka dib barbarkii dowladdii kacaanka ee Siyaad Barre 1991, dad badan baa ka soo qaxay somaliya una soo cararay dalka ay dariskayihiin ee Kenya. Xerada qaxootiga Dadaab aa mid ka mid ah xerooyinka ugu weyn ee ku yaal Kenya. Herada Dadaab waxay ku taalaa dagmada Lagadera. Halkaas oo ay ku noolyihiin dadka somaliyeed. Dadaab waa meesha ilaalisa dadka kasoo qaxay daqaalka. Isla merkaana, herada Dadaab waxay nooqonaysaa magaalo weyn. Baaristan waxay cadayn doontaa saamaynta ay ka leedahay xerooyinka qaxootiga, gaar ahaan ayadoo diirada la saarayo kaganacsiga geela iyo wixii la mid ah.

Barashada luuqadda soomaliga waxaan ka bartay markii ugu horeysay iskaal ku yaal Nairobi, Kenya. Waxaan bartay 80 saacadood. Marka ka did, waxaan ku tababartay degmada laga dheera.
